I am currently in my 21<sup>ST</sup> year in the film Industry, and the last 16 years being a Focus Puller / 1<sup>st</sup> A.C. Prior to that as a Clapper Loader / 2<sup>ND</sup> AC. Although I have not worked on any Feature Films since 2008, I have been busy working on local and overseas TVC's being shot here in Australia & New Zealand. I am 40 years of age. Due to having young children I have made a conscious decision to take a break from Feature Film & Long Form work and stay focused on the TVC Market in all major markets in Australia. I have also worked on a couple of Short Films over the past 12 months. I also own and run a Boutique Style Camera Rental house by the name of Southern Cross Cameras Australia – [www.southerncrosscameras.com](http://www.southerncrosscameras.com)
