2nd AD/Production Runner/Unit Assist.
 1st AD
 Director
 Associate Producer

A hard working and thoughtful production all-rounder with a reputation for having a strong work ethic and vast experience in several fields I am currently looking to gain more AD experience as a 2nd or 3rd to help give me a better well rounded understanding of the AD Dept.

Most recently I have been working as a first AD on an international feature documentary along with several series, one for STAN/60 minutes and for national geographic for which I also directed two of the episodes.
