### Fulltime Position at Photoplay Films

#### 2017 – 2024

I started at Photoplay as Production Coordinator and worked through to in-House Production Manager. My role included Production Managing for five Producers; coordinating under Freelance Production Managers on multiple jobs at a time and assisting with Design - creating presentation documents for Pre Production Meetings, tweaking treatments and storyboards etc. I was also required to manage staff, run the Photoplay internship program and implement office workflows.
