

Commercials & Promos : Stand-by Props / Beer Stylist

I have been working as a stand-by prop for 19 years, one year in Sydney and 18 in London, for the majority of that time in TV commercials. Experienced in all aspects of the job including pack preparation, set dressing, special effects (fire, smoke, wind and ice) and beer styling. Fully equipped van with stand-by kit. I am very happy to be managed by **Top Technicians Management** on **02 9959 1611**.
