## CAREER OVERVIEW

With over 20 years' experience, my work includes collaborations with Academy Award-winning directors, writers, and producers. I have overseen both the physical and creative aspects of film and television production for major studios and independents such as Universal, 20th Century Fox, HBO, Hulu, and the BBC, as well as globally recognised production houses including Blumhouse, Plan B, MRC, MARV, and Warp Films.

I am regularly engaged in script development, budgeting, and production strategy for US and international projects filming in Australia, the UK, and Europe.
