With over 20 years of experience as a professional chef, I possess exceptional skills in crafting healthy and delicious meals and drinks in fast-paced, high-pressure settings. Having recently been introduced to the film industry through Reel Food Catering, I discovered a passion for the dynamic challenges of catering in this context. To bring my culinary expertise to this field, I expanded operations at IC Foodtruck and Catering to offer catering services to film crews in Sydney.

Below are some of the recent productions that I had the opportunity to work on during my time working for Reel Food:
