SUMMARY

Lucca is an International Emmy Award-nominated DOP working across the narrative, music video and commercial worlds. His awards include multiple ACS Awards, two ARIA Award nominations and an International Emmy Award nomination for Best Short-Form Series, and he was included in IF Magazine's Rising Stars of 2026 cohort. His second feature *Crashout* starring Catherine Laga'aia and Joe Bird is currently in post-production with Umbrella Entertainment and Deadhouse Films.

Other notable credits include ABC TV show *Soundtrack to Our Teenage Zombie Apocalypse*, Screen Aus web series *The Formal* (2023) and *Going Home* (2025), and short films *Luna and the Brain Tuna* (SXSW 2024), *Button Pusher* (SFF 2025), and feature film *Suburban Wildlife* (2019).

SELECTED NARRATIVE

Crashout (2026) (In Post-Production)

Feature Film dir. Nick Annas
Umbrella Entertainment / Deadhouse Films / WeirAnderson Films

When a car accident leaves one of their friends dead on the night of their high school graduation, three friends – panicked and terrified of the consequences – decide to stage a found-footage film to rewrite the night and save their futures. Starring Catherine Laga'aia and Joe Bird.

Button Pusher (2025)

12 min Short Film dir. Miski Omar
Praxis Pictures

A broken air conditioner reveals secrets between a hair stylist and her client. A 2025 SFF Dendy Award Finalist starring Edyll Ismail and Bolude Watson.

The Formal S1-S4 (2021-2023)

30 x 1m & 5 x 6m Web Series
Screen Australia / Princess Pictures / Slag Productions

Four seasons of the wildly popular web series 'The Formal' on TikTok and Youtube, which has garnered over 110k followers and 8.7 million views
