Let me introduce myself, my Name is Matthew Withaar.

I started working in Production over 5 years ago, firstly in drama under Unit Manager Djuro Bandur and have now evolved into my own Business, The Production Unit. I have an appreciation for everything involved in making a shoot run smoothly and the need for a helpful Unit Manager (that's where I come in) is an absolute on any shoot.

I'm your go to guy when you are looking for Production unit for crews large and small – with 2 Unit Vans I can cater to whatever you are looking for on set.

The Renault Master Van caters for 45 crew plus. Packed with Italian coffee machine and equipment, Generators kd's, two way radios, directors chairs, fire extinguishers, Makeup Mirrors, Drop sheets, bins, stools, umbrellas, power cords and everything you need on shoot.

Alternatively, for 25 crew and under the Hyundai iLoad is perfect – particularly allowing for smaller ground parks or tight City parking.

For any queries or bookings, give me a call on 0403 296 951.
