Director - Grant Sputore (R) watches the 24" OLED split during filming of "I Am Mother"
Script Supervisor - Mojgan Khadem (L) watches the same vision on her iPad while checking her script notes.
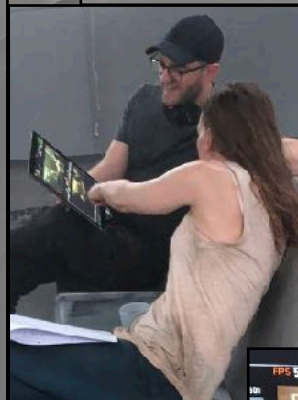

Hilary Swank & Director Grant Sputore, compare a prior setup against their most recent take in the new setup using playback from Qtake Server.
"I am Mother"

To assist complex match cuts, Qtake can generate grids & overlays & picture in picture, like in this Domain commercial for Photoplay Films.
