PROFILE

I worked in Production from 2008 up until 2017. Since returning to work after having kids, I am now focused on Crew Nursing. I have an AIN (Assistant in Nursing) qualification through TAFE NSW, and have also completed a St John Ambulance Occupational First Aid Course, Advanced Resuscitation course (including CPR), Covid-19 Infection Control Training and have my Working with Children permit. I have a fully stocked First Aid kit including oxygen and Berocca!

I look forward to the opportunity to work with you soon.
